CLOTHING GUIDELINES

Looking good!

1. Dress casual. Jeans, shorts, and t-shirts are great—even at evening sessions.

Nope / Nice!

2. Girls can wear dresses or skirts if they want to; boys cannot.

No thanks

3. No spaghetti straps, bare midriffs, or short shorts. No undergarments showing

Umm... no.

4. No short skirts or low-cut tops.

Can you even breathe?

5. No tight shirts, pants, or shorts for girls or guys.

My eyes!

6. Rear view—No thanks! Leggings are not pants. And keep your pants pulled up!

Cannonball!!

7. Girls, once-piece swimsuit or a two-piece that covers your midriff.

8. Guys, shirts are to be worn at all times except while swimming.

FLY staff will ask you to change if you are not adhering to these guidelines.
