The FLY Convention® holds a Zero Tolerance Policy for illegal and prohibited weapons (including firearms, explosives, knives and other weapons that might be considered dangerous or that could cause harm), tobacco, alcohol (in any form), marijuana, any marijuana products (including any substance containing any quantity of delta-9-tetrahydrocannabinol), e-cigarettes (and e-cig. juice), vaporizers (and vape juice), drug paraphernalia (including syringes unless needed for prescription medication), and other drugs. Drugs include, but are not limited to the following: any mind-altering or psychoactive substance and their analogs (without a valid doctor's prescription); any controlled substance, scheduled drug, and their analogs (without a valid prescription); any substance that cannot be legally possessed by the individual according to either state or federal law; any substance that can be readily abused as a mind-altering substance; or any other substance that is used or intended to be used as a drug of abuse.

Skateboards, longboards, razors, and other similar coasting devices are not permitted on YMCA paved areas.

Remedial action will be taken if any attendee is caught using or in possession of these things. Remedial action may include, but is not limited to, the attendee being sent home at their expense, the prohibited items being mailed home at the owner's expense, or other remedial actions. Any criminal conduct will be reported to the local authorities. FLY Convention® Security reserves the right to search dorm rooms, one's person, and one's possessions, if FLY Convention® staff suspects that the Zero Tolerance Policy has been violated. The Crisis Response Coordinator and the FLY Committee will make all decisions for remedial action for each attendee.

All adults, dorm room leaders, and staff attending the FLY Convention® are expected to act in accordance with and are subject to this policy.
