

WORKSHOP RESOURCES

PORNOGRAPHY

Set Free

www.setfreecourse.com

- SevenWeeks. Eleven Bible Lessons. Lasting Victory.
- SET FREE is a brand new online program designed to combat addiction to pornography and sexual sin. It's grounded in Biblical truth, action, and community.

Enough is Enough

www.enough.org

- Emerged in 1994 as the national leader on the front lines of making Internet safer for families and children. Since then, EIE has pioneered and lead the effort to confront online pornography, child pornography, child stalking and sexual predation with innovative initiatives and effective communications.
- **Internet Safety 101SM** is a multi-media Internet safety resource designed to educate, equip and empower parents, educators and other adults with the knowledge and resources needed to protect children from Internet dangers including pornography, predators, cyberbullies and threats related to online gaming, social networking and mobile devices.

Here are the five things parents need to know about talking with kids about pornography.
